6th Analytical Biosciences Early Career Researcher Meeting

28th March – 29th March 2019

Department of Chemistry, University of Cambridge

Through an outstanding talk programme and poster sessions, ECRM aims to bring together Early Career Researchers working in the field of Analytical Biosciences. Further opportunities to network will be provided with a conference dinner at the historic Peterhouse College Cambridge.

Keynote Speakers

Dong-Hyun Kim
University of Nottingham
Metabolomics

Beatrice Demarchi
University of Turin
Ancient Protein Analysis

James Scarth
LGC
Horsereading Forensics

Carla Newman
GlaxoSmithKline
Live Cell Imaging

John Lowry
Maynooth University
Neurochemistry

Cecilia Bembibre
University College London
Smell and Heritage

Tommaso Moschetti
Illumina
DNA Sequencing Enzymes
